Service and Industry Membership DUES OF \$250

Any individual who provides services and/or materials relating to the investigative industries is eligible for service and industry membership. Service and industry members shall not have the right to vote or hold office. Service and Industry memberships are available with a membership fee of \$300 per year. The Service or Industry can appoint up to three members to the Association. A modified background check will be conducted of the Service or Industry. The board will review the information and award the membership. Applicants for Services and Industry membership will be posted for 10 days for feedback from the membership.
